BRIEF SUMMARY

I am Priyansh Dwivedi, a motivated and goal-oriented professional with a strong foundation in leadership and organizational discipline, having served as the Head Boy at Gurukul School. With hands-on experience as a Business Development Officer and Research and Development Executive, I have developed expertise in client relationship management, Artificial Intelligence (AI), Machine Learning (ML), data analysis, and strategic growth planning. Currently, I am working as a Research and Development Executive at Soaring Aerotech Pvt. Ltd., a Prestige Group company in Indore, where I contribute to innovative AI-based product development and technical research. I aim to leverage my diverse experience to contribute meaningfully to a forward-thinking organization, while continuing to grow professionally in roles that encourage innovation, responsibility, and impact.

KEY EXPERTISE

Team Leadership | Interpersonal Communication | Communication | MATLAB | Python | C++ | Business Development and Client Relations | IoT systems and Embedded Technology | Presentation Skills | Research | Networking skills | Excel | MS Office | Artificial Intelligence | Machine Learning | Creative Problem Solving | SQL

EDUCATION

Prestige Institute of Engineering Management & Research — 2022 - 2026

B.Tech. - Electronics & Communication Engineering | CGPA: **6.55** / **10**

Gurukul school, BARELI — 2022

12th | CBSE | CGPA: **6** / **10**

Gurukul school, BARELI — 2020

10th | CBSE | CGPA: **7.20** / **10**

INTERNSHIPS

Soaring Aerotech Pvt. Ltd. Prestige Group | Aviation / Aerospace — 01 Jan, 2025 - Present

Research and Development Executive Intern

Key Skills:

Business Development | Team Leadership | Interpersonal Communication | Project Management Skills | Communication Skills | Creative Problem Solving | Software Development | Artificial Intelligence | Machine Learning | Data Research

Results-driven R&D Intern with hands-on experience in drone system design, testing, and development. Skilled in autonomous navigation, AI-based control, and sensor integration to enhance UAV performance. Experienced in prototype development, technical research, and cross-functional collaboration, with a strong focus on innovation and compliance in the UAV domain.

Soaring Aerotech Pvt. Ltd. Prestige Group | Academics / Research — 15 Feb, 2025 - 31 Aug, 2025

Business Development Officer

Key Skills:

Project Management Skills | Communication Skills | Business Intelligence | Team Leadership | Interpersonal Communication | Presentation Skills | Creative Problem Solving | Business Planning

Business Development Officer with experience supporting strategic growth initiatives in the aerospace and drone technology sector. Skilled in stakeholder coordination, institutional partnerships, market research, and proposal support. Proven ability to work with senior administrative and organizational leaders, contributing to business expansion and long-term collaborations.

Namami Software | IT / Computers - Software — 01 Dec, 2024 - 01 Jan, 2025

Research and Development Intern

Key Skills: Artificial Intelligence | Machine Learning | Python | Deep Learning | Project Management Skills | Data Research

Research & Development Intern with hands-on experience in AI/ML-based project development, including data analysis, model training, and performance optimization. Skilled in Python, machine learning algorithms, and applied research to solve real-world software problems. Actively contributed to prototype development, experimentation, and technical documentation in a collaborative R&D environment. Demonstrated strong analytical thinking and a passion for innovation-driven software solutions.

AWARDS AND SCHOLARSHIPS

- State Champion Chess secured 2nd position
- State Champion Chess secured 3rd position

PROJECTS

AI-Based - Wildlife Animal Image Recognition.

13 Jan, 2024 - 05 Dec, 2025

Mentor: Dr. Reena Disawal | **Team Size:** 2

Key Skills:

Computer Vision | TensorFlow | OpenCV | Python | Dataset Annotation | Model Evaluation | Artificial Intelligence | Machine Learning

Agriculture Drone Tech Project For IIT Indore

22 Mar, 2025 - 21 Jun, 2025

Mentor: Mr Gaurav Singh | **Team Size:** 4

Key Skills:

Interpersonal Communication | Team Leadership | Hardware | Software Engineering | Presentation Skills | Business Development | Sensors | Embedded Systems

Soil Quality Monitoring System Based on IOT

26 Oct, 2024 - 15 Mar, 2025

Mentor: Mrs Sadhna Tiwari | **Team Size:** 5

Key Skills:

IOT System Design and Integration | Sensor interfacing skills | wireless communication | embedded system | smat agriculture | Team leadership

Brain Tumor Extraction From MRI Images By Using MATLAB

05 Oct, 2024 - 11 Mar, 2025

Mentor: Dr Mahendra Singh thakur | **Team Size:** 1

Key Skills:

MATLAB | Project Management Skills | Python | C | C++ | Medical image segmentation | Morphological operation | MATLAB GUI Development

Urban Eye-AI: AI-driven Drone Monitoring & Automation for Nagar Nigam Indore

Mentor: Dr Manojkumar Deshpande

Key Skills:

Artificial Intelligence & Machine Learning | Data Processing & Analytics | Edge & Cloud Computing | GIS & Visualization | Research & Documentation | System Design & Integration

POSITIONS OF RESPONSIBILITY

IETE President

IETE College President with experience in leading student chapters, organizing technical programs, and coordinating with academic and industry stakeholders to promote professional and technical development.

Head Boy

Served as Head Boy with responsibility for student leadership, event coordination, and institutional representation. Developed effective communication, team management, and decision-making skills while fostering collaboration between students and faculty.

Business Development Officer

Business Development Officer experienced in stakeholder coordination, market research, and partnership development within the drone and aerospace technology domain, supporting sustainable business growth.

Research and Development Executive

Research & Development Executive with experience in designing, developing, and implementing AI/ML-based solutions to solve real-world problems. Skilled in data analysis, model development, experimentation, and performance optimization. Proven ability to collaborate with cross-functional teams, conduct technical research, and translate innovative concepts into scalable prototypes and products.

ACHIEVEMENTS

- Participate in the state level Chess competition
- Participate in Global investors summit 2025

SEMINARS / TRAININGS / WORKSHOPS

AICTE Idea Lab Tech Fest **Institute Name:** All India Council for Technical Education 07 Mar, 2025 - 07 Mar, 2025

Key Skills: Project Management Skills | Business Development | Interpersonal Communication | Teamwork

Attending the AICTE IDEA Lab enables students and faculty to convert innovative ideas into working models or startups, supporting India's vision for "Atmanirbhar Bharat".

Global Investors Summit 23 Feb, 2025 - 24 Feb, 2025

Institute Name: Central Government

CO-CURRICULAR ACTIVITIES

- Coordinate urjotsav
- Public speaker

EXTRA CURRICULAR ACTIVITIES

- Organized Charity Events and Social Awareness campaign
- Tutoring Underprivileged students

PERSONAL INTERESTS / HOBBIES

- Public speaking
- Interpersonal communication
- Playing Chess
- Playing cricket
